## A message from the Executive Head

Hello everyone, we have had a lovely week in school and the pupils are really settled and working hard across the curriculum. It is great to see them all enjoying lessons and working hard. We have visited church this week to take part in a Mass to celebrate the start of the new school year. I was extremely proud to receive lovely feedback from our Parishioners on the exemplary behaviour of our pupils! They are a credit to our school and your families. We are currently celebrating Fair Trade Fortnight where we are learning more about people across the world who help to grow and produce our food. We will be writing to our local MP in Scarborough to encourage them to promote Fair Trade. Please talk to your children around this important topic.
