A message from the Executive Head

We have had such a busy week at St. George's! We were visited by 3 Catholic Inspectors who came to quality assure the Catholic Life of our school, the RE teaching and the Prayer life. Safe to say our pupils were amazing and a credit to you and your families. We are SO proud of them and can not wait to share the report with you when it is published.

We are working hard to develop the school and our consultation for a Play Zone went very well - we hope to have a new multi sports pitch approved for the next academic year - I will keep you updated.

Have an amazing weekend!

Safeguarding

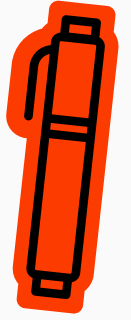

As dark nights approach, it is very important to keep ourselves safe and let other road users know that we are there.

Always wear or carry something bright that will help others see you more easily.

Health & Safety

Earrings and Jewelry Small plain studs only please to be worn in ear lobes (not helix). Earrings must not be worn on PE days. No other jewellery, apart from a watch, should be worn. This is because these items could easily catch on something in school and cause injury to your child or another child.

Celebration of the Word

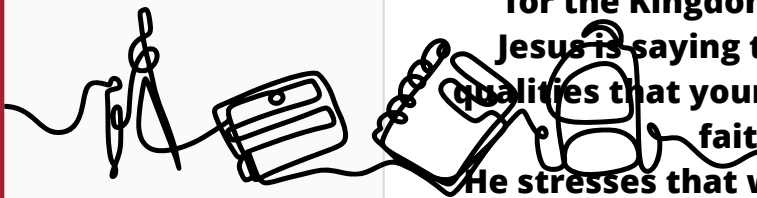

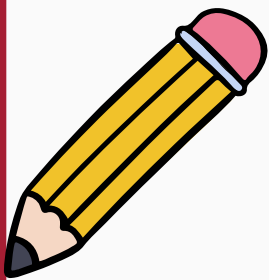

Jesus and the children (Mark 10: 13-16)

Many people were bringing their children to Jesus so that he would bless them.

The disciples speak sternly and send them away. Here we see another example of the disciples making decisions on Jesus' behalf that he does not agree with. Children were not important at the time of Jesus, so the disciples presumed that Jesus would be annoyed at so many people bringing their children to Jesus.

Jesus was very angry with the disciples and said: "Let the little children come to me and do not stop them, for the Kingdom of God belongs to such as these. Jesus is saying that his followers should show the qualities that young children have - trust, dependence, faith, innocence and love.

He stresses that we must trust in and depend on God, just as children depend on their parents and other adults.
