Yr 5 - Lacey
Yr 6 - Freddie B

Weekly Prayer

Lord help me bring peace to others. Where there
is hate, help show me love.
Where there is hurt, help me forgive. Where there
is doubt, give me faith. Where there is sadness,
help me bring joy. Amen

Thank you to Nikki at Glamorous Gardens
for her amazing work on our Prayer garden.
The children had a great time planting the
flowers and trees.
We can't wait to see them in full bloom!

A message from the Executive Head

We have had a superb week here at St. George's and it is great to see how hard all of our amazing pupils are working. This week I have observed lots of great Read Write Inc. teaching where pupils are developing their early reading skills.

We have a number of sports clubs taking place to really enhance our pupils sporting activity and ability. We are all really enjoying joining in with Skateboarding lessons led by East Coast Skate Academy. We have football on a Saturday led by Jamie and his brilliant coaches from the Football Academy. We also have Brazilian Jiu Jitsu lesson on a Tuesday morning led by Sam who is a coach from Smoothflo Academy Scarborough!

So much to celebrate this week - have a lovely weekend!

Safeguarding

We will be supporting anti-bullying week in school next week. Miss Cable will be speaking with all the children about how bullying affects people and how we can choose to be kind to each other. We will focus on how to resolve conflict in a calm and respectful manner and who we can speak to if we are worried about bullying.

Health & Safety

We have had a lot of complaints from our neighbours about parents parking over their driveways, at drop off and pick up times.

We understand they are busy times of day however we still need to be respectful of local residents.

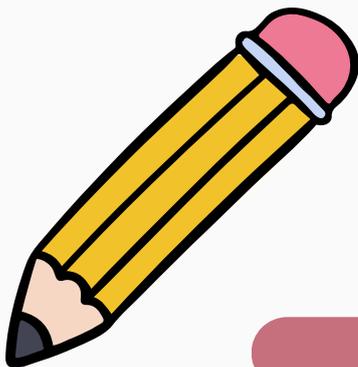

Also can parents please not park directly outside school on the yellow lines. Children can not see the road clearly to cross over, which has caused a lot of near misses recently.

**Please keep the car park clear,
the Car Park is for Staff only.
Please keep our children safe.**

Local News

As part of our continued commitment to build links with the wider community, and provide sporting opportunities to the pupils at our school, we have teamed up with Jamie and the team from Scarborough Football Scholarship. We would like to announce that from this Saturday 9th November we are offering football coaching, not only to the pupils at our school but also children from the wider community. If your child would like to attend then please join them at St George's School Overdale, Eastfield between 10-11.30am.

Please can you send your child with a coat everyday.

Attendance

Well done to Year 2 who have achieved the best attendance this week with a huge 99%. I am very proud of you!
Unfortunately, whole school attendance has dropped to 89.6% for the academic year. Please ensure your child is attending school as much as possible over the coming weeks, so we can see this figure increase. Thank you for your support in this matter
